

Dear Brothers and Sisters:

Re: Brotherhood of Railroad Signalmen Constitution

The BRS Constitution was revised at our regular Convention in August and is currently being printed. Given that many members do not want or use the bound copy of the Constitution, we have decided to distribute bound copies only on request; this saves unnecessary mailing costs and is more earth friendly. You can always find an electronic copy of the Constitution, in PDF format, on the members-only side of the BRS website, found at brs.org.

If you wish to receive a bound copy of the Constitution, email your request to constitution@brs.org with your name, mailing address, and Local number.

Fraternally,

President
