Christopher Natale
General Chairman
Long Island General Committee #102

August 9, 2019

The BRS would like to thank all the Brothers for their generosity in donating some of their vacation time to Brother Paul Iraci in his time of need. We understand there were some who wanted to donate time but because of their own circumstances were not able. However, inquiries were made about making a monetary donation to Paul and his family which are also greatly appreciated. To make it as easy as possible to get the donations to Paul and his family a credit union account with NYTEAMFCU has been opened in Paul's name. Donations can now be made at any of the NYTEAM branches or directly through the BSC on the deductions section of your BSC profile, using the account number below. Brothers can now make a one-time donation or an open-ended weekly donation of any amount of their choosing.

Your selfless generosity, strength and support to Paul and his family reminds us how strong our Brotherhood bond is and will continue to be in the BRS. Thank you for being a part of Paul's journey, as we remind him and ourselves to keep our heads up and stay positive for there are family, friends and Brothers who stand behind one another in times of need.

If you need any assistance or have any questions with the NYTEAM donations, please do not hesitate to contact any of your local Union Representatives.

In Solidarity,

Your Union Officials
